STUDY TIMELINE

As a part of this study, you will be asked to participate in research activities on 3 occasions:

1. A baseline survey, where we asked you questions about your views involving work, your family, earnings, expenses, feelings, goals, etc. We also asked you to play some short concentration games involving numbers and puzzles. This survey took around 120 minutes.
2. A follow-up survey, where we played some short concentration games again. This survey took around 30 minutes.
3. An endline survey, conducted today, where we will ask you questions about your views involving work, your family, earnings, expenses, feelings, goals, etc. This survey will take around 120 minutes.

2. *I utafiti wa kufuatilia, ambapo tutashiriki michezo zingine fupi. Huu utafiti utachukua muda wa dakika 30.*
3. *I utafiti wa mwisho, itakayofanyika karibu waka moja ujao, ambapo tutakutembelea tena natukuulize maswali kuhusu maoni yako kikazi, familia, mapato, matumizi ya pesa, fikira, lengo na kadhalika. Huu utafiti utachukua muda wa dakika sitini (120).*

RISKS AND BENEFITS

To the best of our knowledge, the things you will be doing have no more risk of harm than you would experience in everyday life. There is no direct benefit to you from participating in this study, but the information we gather might benefit other cash transfer recipients in the future. You will be compensated with a small gift after the baseline and endline surveys as a token of appreciation for your time.

TIMING

INTERVIEWER: SAY

Now, I would like to talk with you about the type of grant you received from GiveDirectly (when you got the money, in how many installments, etc). I am going to ask you some questions about your preferences with regard to the structure of the cash transfer.

H.1	You received a cash transfer from GiveDirectly last year. Now, I would like to talk with you about the number of installments. According to you, what would have been the best way to receive 84,000 KSH (excluding initial token)?	1. 1 transfer of 84,000 KSH 2. 2 transfers of 42,000 KSH each 3. 4 transfers of 21,000 KSH each 4. 12 transfers of 7,000 KSH each
H.2	Why would this have been the best way to receive the money?	
H.3	If receiving the money as in [H.1] had not been possible, what would the next best way have been? [Hint: what would your second best choice have been?]	1. 1 transfer of 84,000 KSH 2. 2 transfers of 42,000 KSH each 3. 4 transfers of 21,000 KSH each 4. 12 transfers of 7,000 KSH each
H.4	If receiving the money as in [H.1 or H.3] had not been possible, what would the next best way have been? [Hint: what would your third best choice have been?]	1. 1 transfer of 84,000 KSH 2. 2 transfers of 42,000 KSH each 3. 4 transfers of 21,000 KSH each 4. 12 transfers of 7,000 KSH each
H.5	This means [remaining last choice] would have been your last choice. Why would [remaining last choice] have been your least preferred way to receive the money?	
H.6	In how many installments did you receive your grant (<u>do not consider initial token</u>)?	1 installment <input checked="" type="checkbox"/> H.7 2 installments <input checked="" type="checkbox"/> H.8
H.7	[SKIP IF H.6 = 2 installments] In how much time have you finished up your grant money (do not consider token)?	Days in number:
H.8	[SKIP IF H.6 = 1 installment] After receiving your first installment (after token), in how much time have you spent this part of the grant?	Days in number:
H.9	[SKIP IF H.6 = 1 installment] And how long did it take you to finish up your money, after the second and last installment?	Days in number:
	[SKIP IF H.6 = 1 installment]	More Less None

INTERVIEWER: TAKE OUT THE LADDER AND SHOW TO RESPONDENTS

INTERVIEWER: SAY

Lastly, think of a ladder as representing where people stand in their communities. People define community in different ways; please define it in whatever way is most meaningful to you. At the top of the ladder are the people who have the highest standing in their community. At the bottom are the people who have the lowest standing in their community.

Koro rang ngas ni kaka gima nyiso chal mar jomodak egweng. Ji fuono tie gweng e yore mopogore opogore; ka iyie to fuone kaka owinjoreni. E wi ngas nitire joma omi luor mamalo e gwengegi, e tie ngas nitie joma omiluor mapiny egwengegi.

Jaribu kufikiri kuhusu ngazi inaowakilisha watu na hadhi yao katika jamii. Watu hueleza jamii kwa njia tofauti. Tafadhali nieleze kwa jinsi lolote ambalo ni muhimu kwako. Pale juu ya ngazi, ni watu ambao wana hadhi ya juu sana katika jamii yao na chini kabisa kuna watu ambao wana hadhi ya kiwango cha chini sana katika jamii yao.

R.18	Where would you place yourself on this ladder? (Record the rung) Siemna kama iyudorie engas ni (Ndik kuma iyiero) <i>Ni wapi ungejiweka katika hii ngazi? (kiwango)</i>	
R.19	What place on the ladder would you like to achieve in your life? (Record the rung) Diher ni mondo ichopo kanye engasni e ngimani (Ndik kuma iyiero) <i>Ni pahali upi kwa hii ngazi ungependa kufika maishani? (andika kiwango)</i>
