

Reminder: Survey on Perceptions of Income and Society

Joint Project by XXX City and the University of Tokyo

Issued: November 2025

Dear Resident,

We recently sent you a letter inviting you to participate in the *Survey on Perceptions of Income and Society*, conducted jointly by XXX City and the University of Tokyo.

If you have not yet completed the survey, we would be very grateful if you could take a few moments to respond. Whilst participation is voluntary, your input will serve as valuable data for both municipal policy and academic research. Your cooperation is sincerely appreciated.

Please access the survey using the web link provided in the original invitation letter. As noted in that letter, respondents will be entered into a prize draw as a token of appreciation. If you have misplaced the invitation, please contact the Digital Services Division listed below.

If you have already completed the survey, we sincerely thank you for your cooperation and kindly ask you to disregard this postcard.

◆Response Deadline

We have extended the deadline. Please complete the survey by **Wednesday, 10 December 2025**.

◆About the Survey Results

Your responses will be statistically processed and aggregated (e.g., “XX% of respondents think...”). The more responses we receive, the more reliable the data will be. A summary of the findings will be published on the city’s website before the end of the current fiscal year.
