Thank you! You are eligible to participate in this research study!

Please read the consent document below and click the red arrow if you consent to participate in the study.

INFORMED CONSENT

DESCRIPTION: You are invited to participate in a research study on decision making.

TIME INVOLVEMENT: Your participation should take less than 10 minutes.

RISKS AND BENEFITS: There are no foreseeable risks associated with this study. The benefits which may reasonably be expected to result from this study are a better understanding of decision making. We cannot and do not guarantee or promise that you will receive any benefits from this study.

PAYMENTS: You will receive a \$5 payment for your participation. Payment will be disbursed to you shortly after you complete the survey.

SUBJECT'S RIGHTS: If you have read this form and have decided to participate in this project, please understand your participation is voluntary and you have the right to withdraw your consent or discontinue participation at any time without penalty or loss of benefits to which you are otherwise entitled. The alternative is not to participate.

CONFIDENTIALITY: Identifiers might be removed from identifiable private information and, after such removal, the information could be used for future research studies or distributed to another investigator for future research studies without additional informed consent from you.

CONTACT INFORMATION:

Questions: If you have any questions, concerns or complaints about this research, its procedures, risks and benefits, contact the Protocol Director, Luca Braghieri, lucabrag@stanford.edu.

Independent Contact: If you are not satisfied with how this study is being conducted, or if you

have any concerns, complaints, or general questions about the research or your rights as a participant, please contact the Stanford Institutional Review Board (IRB) to speak to someone independent of the research team at (650)-723-2480 or toll free at 1-866-680-2906. You can also write to the Stanford IRB, Stanford University, 3000 El Camino Real, Five Palo Alto Square, 4th Floor, Palo Alto, CA 94306.

Feel free to save a copy of this document for future reference.

As we re-direct you to the main page of the study, we will enter you into a lottery. In particular, one of the participants in the study will be randomly selected to receive **\$100**.

The selected participant will be given the opportunity to share some of the \$100 with the **American Association of University Women (AAUW)**, a national non-for-profit organization that, among other activities, helps **women who experienced sexual harassment in an academic environment** connect with lawyers and pay for legal fees.

If you turn out to be the participant that is randomly selected to receive the \$100, how much of the \$100 would you share with the AAUW? Please enter the amount of money that you would give to the AAUW below. If you are indeed selected, we will automatically implement your decision.

Notice: you can choose to give the AAUW anything between \$0 and \$100. For example, you can give the AAUW \$0 and keep \$100, or give the AAUW \$20 and keep \$80, or give the AAUW \$80 and keep \$20. These are only examples; the decision of how much to give is entirely yours.

After clicking the red arrow below, you will be automatically re-directed to the main page of the study and entered into the lottery.
